

Ajay Kumar Jha

Curriculum Vitae

Software Maintenance and Reuse (SMR) Lab.
University of Alberta
Edmonton, Alberta, Canada
Email: ajaykum1@ualberta.ca
Phone: +1 587-594-5128
<https://hifromajay.github.io/>

Research Interests

I am interested in software engineering, specifically software testing, program analysis, mining software repositories, and empirical software engineering.

Academic Research Positions

Postdoctoral Researcher (March 2020 – Present)
University of Alberta, Edmonton, Alberta, Canada

Postdoctoral Researcher (March 2017 – February 2020)
Kyungpook National University, Daegu, Republic of Korea

Education

Ph.D. in Computer Science, February 2017
Kyungpook National University, Republic of Korea
Thesis: Enhancement of reliability and security of inter-component communications in Android

M.S. in Computer Science, August 2013
Kyungpook National University, Republic of Korea
Thesis: Reproducing crash in Android applications using capture and replay technique

B.Sc. in Information Technology, January 2004
Sikkim Manipal University of Health, Medical & Technological Sciences, India

Industrial Experience

Unified Technology Consultancy, Nepal. Co-founder (February 2009 – June 2011)

Responsibilities - business development and project management

V2Soft, India. Business Development Manager (March 2008 – August 2008)

Responsibility - business development

FoxxsysTech, India. Business Development Manager (September 2007 – January 2008)

Responsibilities - business development and project management

MindproSoft, India. Co-founder (November 2005 – August 2007)

Responsibilities - programming, project management, and business development

Awards and Fellowships

BrainKorea21 (September 2011 – February 2017)

Human resource development funding program initiated by the Korean government.

KNU Honors Scholarship (September 2013 – August 2015)

Kyungpook National University scholarship for the Ph.D. program.

KNU Honors Scholarship (September 2011 – February 2013)

Kyungpook National University scholarship for the M.S. program.

Students Co-supervision

Masters **Mansur Gulami**, University of Alberta (Feb 2022 - current)

Ph.D. **Mohayeminul Islam**, University of Alberta (Oct 2021 - current)

Ugrad RA **Xichen Pan**, University of Alberta (May 2021 – Sep 2021)

Masters **Batyr Nurryev**, University of Alberta (July 2020 – Nov 2021)

Ph.D. **Sooyong Jeong**, Kyungpook National University (March 2017 – Feb 2020)

Services

PC Member

2023 - ICSE (Demo track)

2022 - MSR (Research track), MobileSoft (Research track), SANER (ERA track)

2021 - ASE (Artifact track), FSE (Artifact track), MSR (Research track), SANER (ERA track)

Reviewer

2022 - IEEE Transactions on Software Engineering, Empirical Software Engineering Journal

2021 - IEEE Transactions on Software Engineering, Empirical Software Engineering Journal

2020 - Journal of Software: Practice and Experience

Sub-reviewer

2020 - IEEE Transactions on Software Engineering

Session Chair

2022 - MSR, SANER
